Knights of Štramberk Castle is a civic association established in accordance with Act no. 83/1990 (the Act on Civic Associations). It is a non-profit, independent and non-political institution.

The civic association was registered on 24 September 2010 as number 22854932.

The aims of the association are as follows:

- Supporting the development of Štramberk Castle;
- Protecting, restoring and reconstructing tangible, intangible and intellectual cultural

heritage;
- Pursuing the shared goals and needs of association members;
- Promoting new knowledge and increasing the level of knowledge among the association's members;

To achieve the goals set out above, the association is involved in the following activities:

- Performing various activities for the benefit of the public connected with heritage conservation, cultural heritage, information and human resources at Štramberk Castle:

- Acquiring real estate and non-movable assets, managing these assets;
- Providing consultancy and information to municipalities, the general public, and public associations;
- Running seminars, training sessions, lectures, exhibitions, courses and conferences;
- Organizing study visits and tours (the latter in cooperation with travel agencies);
- Organizing non-political civic campaigns and petitions;
- Preparing and issuing various publications (not for profit);
- Participating in official proceedings with government authorities;
- Cooperating with other associations sharing similar goals;
- Working to share information and experience with other organizations, institutions and individuals in the Czech Republic and abroad;
- Searching for sponsors, donors and potential partners in the Czech Republic and abroad.

For more information, or if you are interested in becoming a member of the Knights of Štramberk Castle, please contact us by e-mail at truba@valasske-kralovstvi.cz .

We look forward to hearing from you!
